Money Manager X-Change Strategies

### Strategies Engineered for Conservative Investors

Ocean Park's commitment to helping investors remain comfortably invested spans nearly three decades. We have engineered strategies specifically for the conservative portions of your clients' portfolios that are managed in an absolute return style. Our approach to tactical investment management has produced a robust trackrecord of consistent risk-adjusted returns and has fostered a favorable reputation as a trusted partner to advisors and investors nationwide.

#### CONSERVATIVE ALLOCATION STRATEGY

A globally unconstrained absolute return capital preservation strategy offering conservative upside growth potential.

#### STRATEGIC INCOME STRATEGY

An absolute return capital preservation strategy focusing on low-volatility income-oriented asset classes.

#### MUNICIPAL BOND STRATEGY

A single asset class strategy that focuses on generating tax-free income and is ideal for clients who are in high tax brackets.

#### HIGH YIELD CORPORATE BOND STRATEGY

A single asset class strategy ideal for those seeking attractive total return with less volatility than equities.
